Grading Scale (May not be all inclusive):

Grade	Translation	Numeric Grade	US Grade	Quality Points	
Odličan	Excellent	5	A	4	
Vrlo Dobar	Very Good	4	B	3	
Dobar	Good	3	B	3	
Dovoljan	Sufficient	2	C	2	lowest passing grade
Nedovoljan	Insufficient	1	F	0	

Class Ranking

Class rank is evaluated based on a letter written and submitted by the headmaster or principal of the institution from which the student graduated. The letter must confirm both the student's final position in the student's secondary school class and the total number of students in the graduating class (e.g. the student is 41st in a total graduating class of 112 students). However, students completing tracked or separate degree programs (e.g. *Diploma o Završenoj Srednjoj Školi*) must be ranked against all other students in a given class who completed the same degree program.

Post-Secondary Education

Students will be charged terms of attendance and considered transfer students if they have enrolled as a regular student and attended one or more courses at any of the types of institutions listed below (may not be all inclusive) or any other institution that requires proof of high school graduation as a pre-requisite for admission (subject to review on a case-by-case basis).
